7: PRACTICE/QUALIFYING

Competitors must complete at least one lap of the track in practice/qualifying which will be run in a controller manner for a period between 9:00am and 11:00am. Start positions shall be decided by timed practice, unless otherwise stated.

Each Practice/Qualifying session will have 1 sighting lap and a maximum of 4 laps.

To qualify for grid position and championship points riders must have transponders. It is the responsibility of the riders to ensure the transponders are working and securely fixed to their quad or sidecar. Junior quad riders are required to have transponders.

8: START OF A RACE

A clutch start with a back folding starting gate or National Flag will be employed. The Co-Operation of the competitors in entering the assembly area promptly is required. Machines may only be started in the assembly area on instructions from the Paddock Marshals.

9: COURSE

One full lap measures 1.4 Kilometres approximately, consisting of rough going marked with rope, stakes and flags. Flag or marker cutting may entail exclusion, any competitor leaving the course must return to it at the point at which they left it, except where it is inadvertent and no advantage is gained.

10: SCRUTINEERING OF MACHINES AND SIGNING ON

Before commencing practice competitors must present their machines, clothing and helmet in racing condition for checking. Scrutineering will take place in the paddock from 8:00am – 9:00am. Crash helmets must bear the 2019 MRA stamp. Each competitor must have a current competition license available for inspection when signing on, if not a day license will be issued. A competitor must not practice or race any machine not scrutineered.

11: FINISH OF A RACE

To be classified a finisher a competitor must have completed 75% of the distance covered by the race winner and have crossed the finishing line within five minutes after the race winner has finished.

12: STOPPING A RACE

A race if stopped prematurely for reasons of force majeure, it may be run at the discretion of the promoters, with the permission of the stewards. A race will be re-run should there be a false start.

13: FLAG SIGNALS

The International Code of Signals will be used and such signals must be obeyed instantly, as failure to do so may result in exclusion. A yellow flag with a black cross will indicate the last lap of a race.

14: SIGNALLING

All signalling for a competitor must be carried out from the designated area and the onus is on the competitor to make sure that his signaller complies to this request.

15: If a race is stopped because of a competitor or competitors lying on the course that competitor or competitors may not be allowed to restart the race.

16: Any competitor, or a parent of their behalf refusing medical attention may not be allowed to race further on that day.

17: RIDING IN THE PADDOCK

In the interests of Safety, **no** competitor will be permitted to ride his or her machine (or a so-called "pit-bike") in the paddock except in the run-off area at the exit of the track. Competitors found riding their machine (or a so-called "pit-bike") in the paddock will be reported to the Clerk of the Course and may have a time penalty imposed or be excluded from the remainder of the event.

18: CONDUCT

Any kind of conduct (either physical or verbal) which is considered by Club officials to be prejudicial to the sport of motor cycling in general and which may jeopardise the efficient organisation of the meeting shall be deemed to be a breach of the Competition and Club Rules and will be dealt with by the Clerk of the Course and/or the Stewards of the Meeting, with the view to exclusion from the event. If the conduct is deemed to be of a serious nature, it may be reported by the Stewards of the Meeting. No persons spectating at this event, whether parents or otherwise are permitted to stand on the track during racing.

19: RESULTS

The Clerk of the Course and Stewards of the Meeting shall be the sole judges of the results of each race, in consultation with lap scoring/transponder timing personnel. They shall implement all necessary measures to ensure that the results are as fair to all competitors as possible. Their decision shall be final and No interference in these decisions can be tolerated. Competitors who fail to ensure that their transponder is mounted on their machine or is working properly will not appear in the results.
